**Re: Charles Miller v. National Life Insurance Company**

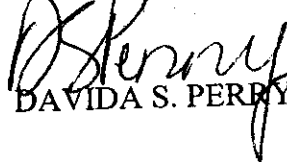

Dear Mr. Duplicki:

We represent Charles Miller (plaintiff) in his litigation against National Life Insurance Company, which is presently pending in the federal court in Connecticut.

We have been advised that on behalf of National Life you have served a subpoena on Yahoo seeking all of our client's emails. Please immediately forward a copy of the subpoena to us.

We object to the subpoena and are moving to quash it. We have so advised Yahoo as well as local counsel for National Life. We expect that you will take no further action with regard to the subpoena until the Court has resolved the motion to quash.

Yours very truly,

  
DAVIDA S. PERRY
